The U.S. military shot down an unidentified object that was flying over Lake Huron on Feb. 12, according to a U.S. House lawmaker from [Michigan](#), who revealed it had an “octagonal structure.”

“It was the fourth flying object in recent days to be downed over North American airspace, coming about a week after a U.S. F-22 shot down a suspected Chinese spy balloon off the South Carolina coast. That balloon was spotted near Billings, Montana, and was allowed to traverse across the United States before the U.S. military took action.

On Feb. 10 and 11, unidentified flying objects were shot down by U.S. jets over Alaska and northern Canada. So far, officials have provided few details about them, including whether or not they, too, are suspected spy balloons.”

ELECTION

IT IS REPORTED...

2020 Election Fraud

From the Cyber Symposium analysis of two Dominion servers from Mesa County, they just discovered a batch file on both servers – dated 10/19/2020 (right before the election) – that REMOVES SECURITY RESTRICTIONS FROM SQL SERVER – enabling ANYONE to manipulate the vote totals!!!!!!!!!!!!!!

When this was found, the cyber expert onstage said, “If I were Dominion, I’d be pissing in my pants right now. This is exactly why they didn’t want us to see this.”

Mark Finchem received an email from an unknown person alerting him that Pima County Arizona inserted 35,000 ballots for Joe Biden before the election.

[Third Temple Preparations Are in Full Swing](#)

Somewhat under the radar, a group of religious Jews have been eagerly preparing for the day a Third Temple will stand in Jerusalem. Last week, we showed you how the Grammys invited to world to enjoy something ‘beautifully unholy’, and then cheered as Satan was prayed to, invoked and worshipped on international tell-a-vision, and ‘sponsored by Pfizer’ no less. Moments ago, the 2023 Super Bowl Halftime Show opened with filth merchant Rihanna descending from the sky, surrounded by what could only be described as dancing fallen angels, and sang ‘Bi**h Better Have My Money’. What was the reaction? Cheering and applause so loud that it competed with the music for your ear. **You can stop having that debate now on whether or not America is a Christian nation, we absolutely are not.**
