### The Shocking Truth About mRNA Vaccines in Our Food (Part 1)

“...the current state of mRNA-based vaccines in our livestock. As a recap: right now mRNA vaccines are in the midst of development for beef cattle (with millions of dollars in funding flowing to different companies doing this research — both in the US and abroad.) For pork, mRNA vaccines appear to have already been on the market since 2018, through a Merck-owned vaccine platform called Sequivity. On their website they promise RNA based customized vaccine prescriptions to pig farmers. It's not clear how many pig farmers are currently using these mRNA shot, but it appears to be on the market already.

### The Shocking Truth About Edible mRNA Vaccines in Our Food (Part 2)

In today's episode, we cover the flip side of this coin: what happens to a person who eats meat that's been treated with mRNA-based vaccine technology. **GR Introduced Trailer for 'Covidism' Last Week...subsequent information below**

“In the US, the mass awakening has reached critical mass as 70% of Americans agree fake US President Joe Biden's foreign business dealings, bribery and influence peddling schemes are 'very serious.' This means the majority of the people are now close to the truth.

They now need to stop being distracted...That's why I ask readers to share the following two short videos with friends and family who realize something is wrong but still do not understand what it is.

The first 2 min video is about the **Rockefeller** family and their evil control of the medical and other industries.

The next 1 minute video identifies the **BIS** as the source of the problem but falls short of naming its' Rothschild/Rockefeller etc. owners.

If we do not target the real source of the problem, we will continue flailing about uselessly like angry blind people” ... ( Full Article: <https://benjaminfulford.net/2023/05/15/132364/>)

### [New 2023 Documentary Premiere: COVIDISM – Contagious Deception: Trailer & Parts 1-4](#)

**Trailer** Bonum Vincit has now put together a 2-minute trailer introducing the topics covered in this 4-part film.

**Part 1** carefully examines how authorities worldwide have been gaming the numbers regarding cases, hospitalizations and deaths from the alleged coronavirus. Part 1 also explains how health officials actively suppressed safe and effective treatments for Covid-19, while employing deadly protocols for hospital patients.

**Part 2** focuses on the fascinating timeline of events, which led to the global Covid-19 response, and investigates whether or not the science on the lethality and infectivity of Sars-Cov-2 justified countermeasures such as lockdowns and mask-wearing.

**Part 3** is a deep dive into the topic of Covid-19 “vaccines,” detailing the plethora of scientific evidence for their unsafe and ineffective nature, while exposing the deceptive tactics of manipulating the statistics.

**Part 4** puts all the pieces of the puzzle together, exposing the premeditated sinister political motivations behind the global Covid-19 response, and how it is intricately tied to a much larger agenda – **The Great Reset**.

Democratic California Sen. Dianne Feinstein returned to the Senate in an allegedly confused state Wednesday as she entered the Capitol in a wheelchair. "Where am I going?" she asked, according to the outlet. "I've got something in my eye." Feinstein is confused and bound to a wheelchair, but give up her grasp on power? Never. In 2023, America is a nation run by power-mad individuals who are concerned with their own personal ambitions, and have no desire to 'do the people's business'. America is going down, but have you stopped to wonder what will rise up in its place?

### **Trump Comment... “I was framed.”**

The TRUTH is finally coming out.

Special Counsel John Durham’s report confirms THE INTELLIGENCE COMMUNITY NEVER HAD ANY ACTUAL EVIDENCE THAT I WAS A RUSSIAN AGENT.

The Deep State deliberately FRAMED ME as a Russian traitor in an attempt to destroy our campaign and then sabotage our presidency.

For 3 years – 24 hours a day, 7 days a week – the American public was fed LIE after LIE that their sitting president was a traitor.

This was a SILENT COUP against a duly elected president.

The Deep State HATED the idea of a political outsider leading the White House.

They knew they could never control me or bully me into submission.

So, they tried to frame me as a Russian agent – despite having ZERO EVIDENCE – in an attempt to destroy me and stop the one movement that puts YOU first.

As I’ve always said, they’re not really after me. They’re after YOU, I’m just standing in their way.

And you better believe that I will keep standing in their way, because I will NEVER, EVER SURRENDER the greatest country in history.

2024 is our final chance to save our Republic. Either we destroy the Deep State, or the Deep State will destroy America.

### Song: 'Resurrecting' Lyrics

The head that once was crowned with thorns  
Is crowned with glory now  
The Savior knelt to wash our feet  
Now at His feet we bow  
The One who wore our sin and shame  
Now robed in majesty  
The radiance of perfect love  
Now shines for all to see  
Your name, Your name  
Is victory  
All praise, will rise  
To Christ, our king  
Your name, Your name  
Is victory  
All praise, will rise  
To Christ, our king  
The fear that held us now gives way  
To Him who is our peace  
His final breath upon the cross  
Is now alive in me  
Your name, Your name  
Is victory  
All praise, will rise  
To Christ, our king  
Your name, Your name  
Is victory  
All praise, will rise  
To Christ, our king  
By Your spirit I will rise  
From the ashes of defeat  
The resurrected King, is resurrecting me  
In Your name I come alive  
To declare Your victory  
The resurrected King, is resurrecting me  
By Your spirit I will rise  
From the ashes of defeat  
The resurrected King, is resurrecting me  
In Your name I come alive  
To declare Your victory (c'mon!)  
The resurrected King, is resurrecting me  
By Your spirit I will rise  
From the ashes of defeat

The resurrected King, is resurrecting me  
In Your name I come alive  
To declare Your victory  
The resurrected king, is resurrecting me  
He's resurrecting me  
Our God is good, oh  
The tomb where soldiers watched in vain  
Was borrowed for three days  
His body there would not remain  
Our God has robbed the grave  
Our God has robbed the grave (yes He has, yes He has)  
Your name, Your name  
Is victory  
All praise, will rise  
To Christ our king  
Your name, Your name  
Is victory  
All praise, will rise  
To Christ our king  
By Your spirit I will rise  
From the ashes of defeat  
The resurrected King, is resurrecting me  
In Your name I come alive  
To declare Your victory  
The resurrected King, is resurrecting me  
By Your spirit I will rise  
From the ashes of defeat  
The resurrected King, is resurrecting me  
In Your name I come alive  
To declare Your victory  
The resurrected King, is resurrecting me  
By Your spirit I will rise  
From the ashes of defeat  
The resurrected King, is resurrecting me  
In Your name I come alive  
To declare Your victory  
The resurrected king, is resurrecting me  
The resurrected king, is resurrecting me, yeah
